Dear Sir, -

The Coal Creek Irrigation Company have again asked me to direct the diversion of the waters of Coal Creek for the period from November 30th. 1936 to March 15th. 1937. I trust this meets with your approval.

If it is more convenient to issue a bond for the full year I will interview the members of the adjudicating committee and learn their wishes in regard to employing me for the coming year.

Yours very truly

H. P. Leigh
